COMMUNITY PHARMACY IN HEALTH CARE HOMES TRIAL PROGRAM

Training modules for the Community Pharmacy in Health Care Homes Trial Program are now available on both the Pharmacy Guild's *GuildEd* learning platform and the Pharmaceutical Society of Australia's (PSA) 6CPA Resource Hub.

These modules have been developed collaboratively by the PSA and the Pharmacy Guild and can be accessed via either portal.

Select and click your preferred delivery platform below – note the training modules are no cost and identical on both sites.
